Mab to 
LDL Receptor
Biotin Conjugate

Clone
Category
Form/Purification
Ig Class
Immunogen
Clinical Application/ Specificity
Antigen Recognized in Species (tested so far)
Suitable for
Dilution Buffer
Working Dilution
Storage
Quantity

IgG-C7
Mouse monoclonal
Affinity purified, biotin conjugate
IgG2b kappa
Purified bovine adrenal cortex LDL receptor
Human, bovine; negative with rat, mouse, hamster (chinese hamster ovary cells), dog, rabbit
FACS
Immunohistochemistry
Immunoblotting
PBS with 0.5% BSA
1:20 for IHC
at 2 - 8°C
1 mL (conc. 0.5 mg/mL)
